

Dear Andrew,

I am just getting back to normal.

48 hours ago my handbag containing my passport, credit cards and contact details got stolen on the street, while having a beer.

I was busy in the Consulate & Police in order to sort items out.

I am getting a new temporary passport Monday putting me into travel possibility for TT on coming Wednesday.

Enclosed is the official letter in reference to the rental property.

I was not able to open the MDIB file, my notebook has not Photoshop capabilities. Mayb you can resend it in explorer / web format ?

Mr. Atanacio is sending 200 USD more today your time. MTCN follows.

I try to call you in 90 Min

Yours

CHRIS
